# PROGRAM PHILOSOPHY, GOALS & OBJECTIVES

## Philosophy:

**TLC Preschool Program provides a nurturing high quality inclusive educational environment where all children thrive and are valued supported as we partner with families to build their emotional resilience.**

## Parent Involvement & Education:

**Our goal** is to provide a welcoming environment for families and invite them to participate as equal partners in the education of their children.

Opportunities to participate include, but are not limited to:

- Parent/Teacher conferences are held twice per year. Conferences provide an opportunity for parents to collaborate with the teacher to develop goals for their child
- Reading to children during drop-off/pick-up
- Committee meetings provide an opportunity for parents to provide input on the nature and operation of the program
- Participating or helping at family festivals/events

We work to empower children, promote individuality and develop strong partnerships with families while creating an environment that helps young children attain physical, cognitive, social, language and emotional achievements to be prepared for school.

Each family brings a history of life experience and cultural heritage that is respected and valued within our Centers. Partnerships between families and the Center are essential to the growth and development of each individual child.

Our goals and objectives are reflected within each of the quality program components

**Note:** Parents volunteering in the center must have a recent tuberculosis clearance, immunization & background clearance on file.

# PROGRAM PHILOSOPHY, GOALS & OBJECTIVES

## Health & Social Services:

**Our goal** is for families to know where to access community health and social services to meet their unique family needs.

A Family Social Service Need Request & Referral form is completed at the time of enrollment and annually thereafter. This form helps to identify the needs of both the child & family, so that the child may be successful in care and school.

Based on the results, staff provide parents with referrals to other agencies in the community. In addition, staff follow-up with parents to ensure their needs have been met.

## Education Program:

**Our goal** is to ensure all children are making progress in the domains of physical, cognitive, language, and social-emotional development.

**Our goal** is to provide a program approach that is developmentally, linguistically and culturally appropriate. A program that is inclusive of children that are neurodiverse.

We use a tool called the Desired Results Developmental Profile (DRDP) to assess the development of children

- Assessed within 60 days of enrollment & every 6 months
- Parent's input is a necessary component of this assessment
- Assessment outcomes are used to plan and conduct age and developmentally appropriate activities for children

**Physical** development is supported by:

- Promoting physical activity
- Providing sufficient time to move within the indoor and outdoor spaces
- Providing equipment, materials and guidelines for active play and movement

**Social/Emotional** development is supported by:

- Building trust
- Planning routines and transitions so they can occur in a predictable and unhurried manner
- Help children develop emotional security and facility in social relationships

**Cognitive & Language skills** are supported by:

- Various strategies, including experimentation, inquiry, observation, play and exploration
- Providing opportunities for creative self-expression through activities such as art, music, movement and dialogue
- Promoting interaction and language use among children and between children and adults
- Supporting emerging literacy and numeracy development

# PROGRAM PHILOSOPHY, GOALS & OBJECTIVES

## Environment:

**Our goal** is for each of our classrooms to provide a safe, healthy and welcoming environment that supports the broad development needs of children.

The Thelma Harms Environment Rating Scale is completed on each classroom annually by an assessor. The program coordinator and teacher collaboratively develop and take action steps for continuous quality improvement.

In addition, our environments are set-up using our adopted curriculum. **Creative Curriculum** is a comprehensive, research-based curriculum that features exploration and discovery as a way of learning, enabling children to develop confidence, creativity, and lifelong critical thinking skills.

## Nutrition Services:

**Our goal** is to ensure children have nutritious meals and snacks during their time in the program. Meals and snacks that are culturally and developmentally appropriate and meet the federal Child Care Food Program nutritional requirements.

Mealtime is a learning experience for our children. It's a time for talking about color, taste, texture and the name of foods. It is an opportunity for practicing manners by watching adults and socializing with other children.

**Meals are provided at no cost to families.** Balanced nutritious meals include breakfast, lunch and an afternoon snack. Monthly menus are posted on the bulletin board. Candy, gum, chocolate milk, and soda are not allowed in the classroom!

If your child has any food allergies, or can not eat certain foods for religious or personal reasons, please notify the teacher immediately and they will provide a form you take to the doctor, then we will keep on file for kitchen staff.

**Students are not allowed to bring drinks. Water bottles and water are provided for all child all day.**

**Meals are provided at no charge if a parent chooses to send snack or lunch. Please send Healthy choices such as granola bars, pretzels, fruit, vegetables, cheese and meat.**

**Please DO NOT send snacks such as chips, donuts, candy, cookies, or cupcakes. We have had many issues with students sharing unhealthy treats with others, which has caused a lot of sharing of germs as well. In order to keep kids healthy and to avoid allergy risks, students are prohibited from sharing food from home, outside of structured events organized by their teacher. This includes birthdays and holidays. Please refer to the your head teacher for alternative choices.**

State law requires that staff report known or suspected instances of a child abuse to Child Protective Services or to local police officials. This abuse includes physical abuse, sexual abuse, emotional abuse or neglect.

## Daily Schedule:

Classroom daily schedules may vary from classroom to classroom. The daily schedule is posted on the parent bulletin board in each classroom.

## Biting

Biting is very common among groups of young children, for various reasons. Understanding why the young child bites is the first step in preventing biting as well as teaching the child alternatives to biting.

## Clothing & Items from Home:

Your child will be very active during classroom activities and should dress in comfortable and washable clothes. Shoes must be worn at all times. Tennis shoes are great. Bare-feet, thong-type shoes, and heels are prohibited. Students must wear shoes suitable for running, jumping. Sandals must have heel straps. Clothing must adequately cover the body and body parts. # GENERAL POLICIES

## Discipline & Guidance:

Rules and limits are set to keep the children safe and help them get along with other children and adults. Positive methods of guidance and re-direction is used with a big focus on social-emotional development to help children gain social skills that allow them to relate and communicate with others in a healthy way.

Staff work to build a positive relationship with every child. Every effort will be made to handle discipline problems through redirection, problem solving, re-arrangement of the environment, and staff - parent collaboration. Open-communication with each other is key.

There will be no use of corporal punishment or violation of personal rights. We do not spank, punish or threaten our students.

## Suspension or Expulsion:

**Our program severely limits** the use of suspension and expulsion because of a child's behaviors. In addition, the program can not persuade or encourage a child's parents or legal guardians to voluntarily unenroll from the program due to a child's behavior.

The program will take many steps to address a child's challenging behaviors, including biting, physical harm to staff other children and school property with the goal being to aid the child's safe participation in the program.

**In the event a child is suspended or expelled due to persistent and serious behaviors**, the program will issue a Notice of Action that is effective 24 hours after the notice is issued.

Persistent and serious challenging behaviors are either repeated patterns of behavior that significantly interfere with the learning of other children, or interactions with peers and adults that are not responsive to the use of developmentally appropriate guidance.

## Child Supervision:

Staff actively ensure that our environments are safe and no child will be left alone or unsupervised at any time.

**Children under the age of 5** each have the opportunity to nap or rest without distraction or disturbance from other activities by providing an individual napping space and a cot or mat.

Any child who chooses not to sleep will be given the opportunity to do a quiet activity of their choosing.

**Toddlers** have a nap schedule from 12:30 - 2:30. All toddlers must have a sleep environment that prevents injury and decreases the risk of Sudden infant death syndrome (SIDS) that includes:

- Firm matt with tight-fitted sheet
- Nothing is covering the head

In partnership with you we work toward getting your child to be independent in the bathroom. If an accident occurs, we will support them to change into clean clothing. Please make sure that you bring a fresh change of clothing the day after an accident occurs in class.

## Lead Poisoning Prevention:

Currently, there is no known safe level of lead in the body. It is important for parents to become aware and knowledgeable about lead poisoning and preventative measures.

Lead poisoning can potentially become a serious illness that can cause various health concerns in children such as:

- Anemia
- Decreases in intelligence quotient (IQ)
- Behavioral problems
- Decreased auditory function
- Slowed growth

It is important for parents to understand preventative measures by:

**Knowing the sources of lead** exposure such as:

- Interior/exterior paint
- Soil
- Drinking water (e.g. private well)
- Folk remedies
- Parental occupations (e.g., construction, plumbing, battery manufacturing)

**Proper nutrition** such as:

- Calcium rich foods (e.g., milk, yogurt, cheese, leafy green vegetables)
- Vitamin C foods (e.g., fruits and vegetables)
- Iron rich foods (e.g., red meats, beans, iron fortified)

Early and Periodic Screening, Diagnostic and Treatment (EPSDT), states that children should undergo clinical diagnosis and assessments that would account for a blood lead level (BLL) count during 12 and 24 months of age in order to measure lead toxicity. Assessments should be given to children at six and nine months of age and thereon after up to the age of six years old.

If a BLL count is  $\geq 5 \mu\text{g/dL}$ , treatment should be followed upon physician's instructions in order to eliminate lead toxicity. Local public health officials may also assist in finding any lead exposure in surrounding areas of the child's residence for any hazards.

Children under the age of six years old are more vulnerable to being exposed to lead.

## Family Fees:

Some families enrolled in the program may have a family fee based on their total countable income, family size and certified hours of care. Fees are determined using the family fee schedule approved by the California Department of Finance.

Family fees are assessed according to the child who uses the most monthly hours of care, regardless of the number of children enrolled on the program.

## Assessment:

Family fees are only assessed at:

- Initial Certification
- Recertification
- Voluntarily request to have fees re-assessed
  - **Decrease:** Effective on the first day of the month that follows the NOA issue date
  - **Increase:** No increase during certification

**Full-time monthly fee** when services are approved for 130 hours or more per month

**Part-time monthly fee** when services are approved for less than 130 hours per month

**Fees CANNOT**, under any circumstances, be recalculated based on a child's actual attendance.

- A family, whose income level is less than the first entry on the family fee schedule
- Children receiving child care & development services from Part-Day State Preschool (CSPP) or Severely Handicapped (CHAN)
- Families receiving CalWORKs cash aid
- Families with children that have been identified as being at-risk or who are receiving Child Protective Services may be exempt from paying fees for up to 12 months if the referral determines the fee waiver to be necessary

**NOTE:** When a family's child is assigned both a School & Vacation schedule, families will be assessed both a monthly part & full time fee.

# PARTICIPANT QUALIFICATIONS & CONDITIONS

## Payment:

Payments are **due by the 1<sup>st</sup> of the month** in advance of services. Family fees may be paid in the main office.

**TLC Preschool  
Main Office  
2060 6<sup>th</sup> Street  
Oroville, CA 95965**

**We can only accept cash or money orders for payment of family fees**

## Credit for Fees Paid to Other Service Provider:

When the program cannot meet all of a family's needs for child care, families may receive a credit for payment made for child care services to another service provider. To receive credit, submit within 30 days of making payment:

- Payment record (receipt or cancelled check) that includes:
  - provider's name
  - child name
  - total paid
  - payment date
  - rate of payment, &
  - dates of services provided

**NOTE:** Fee credit is applied to next fee billing period. In the event that payment to the other service provider is more than the fee amount, the remaining amount will NOT carry to the next billing period

## Delinquent Fees:

Family fees are considered **delinquent after 7 calendar days** from the due date.

Families with a delinquent fee plan from previous past due fees must continue to make payment according to their Plan for Payment of Delinquent Fees in addition to their current fees.

We can accept a **REASONABLE REPAYMENT PLAN** from the participant for payment of delinquent fees.

We will continue to provide services to the child, provided the participant pays current fees when due & complies with the provisions of the repayment plan.

## Importance of Attendance:

**Attend today, achieve tomorrow**  
**Your child's regular attendance matters...**

**Infant/Toddler**  
Time to develop stable, nurturing relationships. A healthy attachment base is the cornerstone for life long learning.

**Preschooler**  
Time for building the social, emotional, cognitive & language skills necessary for school readiness.

**Elementary**  
Time to develop reading skills needed to transition from "learning to read" to "reading to learn"

**Middle or High Schooler**  
Time to develop strategies to become independent, build future dreams & habits for college and/or the workforce.

**Adult**  
Time to land a great job. Good attendance, dependability & work ethic are valued above all other soft skills.

Absent 2 days per month = Absent 24 days per year  
= Your child's learning is 1 month behind their peers!

**Don't let your child miss-out on the skills needed to be successful in school & life**

## Attendance Expectations/Policy:

Children are **expected to attend child care based on their certified schedule** determined at certification, recertification & when a participant voluntarily requests to change their service level.

A family may be disenrolled from the program for abandonment of care.

Participants may voluntarily request to change their child's service level (See Right to Voluntarily Report Changes).

Regular and consistence attendance is important. It allows the family to maximize the benefits of the child's early learning and care experience.

Unnecessary disruptions in services can stunt or delay social-emotional & cognitive development while safe, stable environments allow young children the opportunity to develop the relationships & trust necessary to comfortably explore & learn from their surroundings.

# ATTENDANCE

## Sign In & Out Procedures:

Parents or authorized adults must sign their child in and out every day, using their full legal signature. Arrival and departure times are also required daily.

Staff will only release children to adults listed on the Emergency Card unless the parent has notified the Site Supervisor or teaching staff in advance and **in writing** that another adult is authorized to pick the child up. If a parent or legal guardian requests that one of the child's parents not be allowed to remove their child from the center, a court order will be required. Otherwise, all parents who can provide proper identification will be allowed to pick their child up from the center.

## Absence Policy:

### Excused Absence:

- Illness of child or parent/guardian, ailment, communicable disease, injury, hospitalization or quarantine
- Appointment due to illness of child or parent/guardian, which includes doctor, dentist, mental health, counseling or therapy
- Court ordered visitation for time spent with a parent or relative as required by law. (Court order must be on file)
- Family emergency for unplanned situations of a temporary nature including court appearance, death, accident, hospitalization of a family member, no transportation, illness of sibling, fleeing domestic violence or due to sheltering in-place

**Best Interest Days** (maximum of 10 days per program year between July 1-June 30; except for children enrolled due to protective services or at risk)

Parent determines that another activity is better for the child to attend, such as:

- Visiting relative or close friend
- Vacation time with family
- Child attending a party
- Family moving
- Religious observance, holiday or ceremony
- Personal or family business

## Reporting Absences & Late Arrivals:

When a child is absent from regularly scheduled care at any time during the month the participant or staff member must record on the attendance record the date(s) of absence, description of absence, and sign sheet with full legal signature. Must be done in writing and include child's name, date of request, date(s) of absence and reason for absence

**Planned:** In the event that a child has a planned absence or late arrival advance notice is required to be given to the Teacher.

**Unplanned:** In the event that a child is absent or will be late on a contracted day, parent/family is responsible to contact the center by 8:00am.

## Abandonment of Care

- Unavailability of program funds. If it is necessary to displace families due to funding, families will be displaced in reverse order of Enrollment priority.

## Program Decision Complaints (Appeal Process):

Parents enrolled in state subsidized programs have the right to a fair and unbiased hearing if they disagree with a proposed action. Upon receipt of an on-time request for an appeal hearing, the intended action will be suspended and child care services will continue until the appeal process has been completed, with the exception of children who have been suspended or expelled. In the event a child is suspended or expelled due to persistent and serious behaviors that impact the safety of children, the child may NOT attend the program during the appeal process. The review process is complete when the appeal process has been exhausted or when the parent abandons the appeal process. The Appeal Hearing process is as follows:

### Step 1: Request for Appeal Hearing

Request for an appeal hearing must be filed within 14 calendar days after the participant receives the Notice of Action (NOA). A request must include the effective date of the NOA, parent name, phone number, full address, explanation why parent disagrees with the agency's action and date the request is signed.

Request for hearing may be submitted by mail, in person, phone or e-mail to:

**Attention: Tammy Duggan**  
**2060 6<sup>th</sup> Street**  
**Oroville, CA 95965**  
**Telephone (530) 538-2950**  
[tduggan@Thermalito.org](mailto:tduggan@Thermalito.org)

In the event that the action taken is due to **child suspension or expulsion**, a request for an appeal hearing is sent directly to the State Department (Skip to Step 5)

### Step 2: Schedule Hearing

Within 10 days of receiving a parent's hearing request, the parent will be notified of the time and place of the hearing. To the extent possible, the hearing date and time will be convenient for the parent(s). The hearing shall not be scheduled more than 14 calendar days from the date the hearing officer contacts the parent to schedule the hearing. In the event that a parent or parent's Authorized Representative cannot keep the scheduled hearing date/time, the parent must notify the Hearing Officer in advance of the hearing date/time. A parent may request to re-schedule the hearing date 1 time.

### Step 3: Conduct Hearing

The hearing will be conducted by an administrative staff person who shall be referred to as "the hearing officer." In the event that a parent is unable to attend the hearing at the designated location accommodations will be arranged and agreed upon between the parent and hearing officer. For any hearing not conducted in person, verification of parent identity will be required, along with prior submission of documentation. The hearing will be recorded. During the hearing, the parent or Authorized Representative will have an opportunity to provide support documentation and explain the reasons that they disagree with the proposed action indicated by the referenced NOA should not be carried out.

## GRIEVANCE / COMPLAINT PROCEDURES

This will be a formal hearing, and the parent must comply with the directions of the hearing officer during the course of the hearing. Failure to comply with directions will result in the hearing being ended and the contested action being taken. A parent designating an Authorized Representative to be present must inform the agency in writing prior to the hearing. Please do not bring people to the hearing unless they are a designated Authorized Representative. No children are allowed to be present during the hearing. For failure to appear, it will be deemed that parent has abandoned the appeal and care ends immediately.

### Step 4: Agency Hearing Decision

Hearing officer will send notification in writing, of decision within 10 calendar days after hearing.

### Step 5: Request for Appeal Hearing with STATE DEPARTMENT

If parent disagrees with the agency's hearing decision OR if the action taken is due to child suspension or expulsion, the parent has 14 days from date of the written decision/action to file an appeal with the appropriate Department. The appeal(s) must include a written statement specifying the reasons parent disagrees with the agency's action, a copy of the decision letter and a copy of both sides of the NOA.

Request for State Department hearing must be submitted to:
