Dear Poplar Families,

Welcome to Poplar Avenue Elementary School and to Thermalito Union Elementary School District. The Parent & Student Handbook is designed to provide helpful information about our school and to improve communication between home and school. Information about school programs, staffing, and upcoming events may change during the year, so I encourage you to read our monthly newsletter as well. You can also access our school web-site at www.thermalito.org, as well as follow us on Facebook.

The faculty and staff are looking forward to working with your child to make this year an amazing adventure in student centered learning! Our staff is a group of talented professionals that truly strive to create a family atmosphere on our campus. Many live here in the Thermalito area and all want to establish a safe and enriching environment that fosters each student's love of education. You are always welcome to visit our school and volunteer or observe in classrooms.

A goal of our school community is to foster a joint effort of parents and staff to establish and maintain high expectations for all areas of student growth and development. We ask that both parents and students read the handbook so that there is a clear understanding of the school's expectations. The policies and procedures within this handbook have been developed over the years and provide our students with a safe, structured school environment. These procedures have been written to coordinate with the policies of the Thermalito Union Elementary School Board and integrate with the mandates from our state and federal governments.

Student learning is maximized within a safe, caring, and orderly school environment. We are continually striving to improve our character education so that our students can be active participants in a community that emphasizes kindness towards others. When student discipline concerns arise, we are committed to working alongside parents in helping our students make positive choices.

Back to School Night is Thursday, August 31st from 5:30 – 7:00 p.m. Please attend the Title I Meeting at 5:30 p.m. in the cafeteria to learn about our students' progress and what rights and opportunities you have as parents. You will also have an opportunity to meet all Poplar teachers. Classrooms open at 6:05 p.m. We look forward to seeing you here.

If you have any questions, concerns, or suggestions, please feel free to come by the school office. You can also reach me via e-mail at bharrington@thermalito.org.

AFTER-SCHOOL PROGRAM

The Butte County Office of Education coordinates a daily K-5 after-school program at Poplar Avenue Elementary. Students enrolled in the program receive homework assistance and participate in a variety of enrichment activities. Enrollment applications are available in the school office. If you have specific questions regarding the after-school program, please call 538-2910 x129.

ARRIVAL / DISMISSAL TIMES

Students should not arrive on campus until 8:05 a.m. For parents who have to drop off their child due to employment, we do offer limited supervision in the cafeteria from **7:45-8:05**. Parents assume responsibility for children dropped off before 7:45. Poplar Avenue's school day begins at 8:35 a.m. and concludes at 2:58 p.m. for Transitional Kindergarten through 3rd, and at 3:02 p.m. for 4th and 5th grades. On minimum days dismissal time is 1:43 p.m. for grades K-3 and 1:47 p.m. for grades 4 and 5. If it is raining before school, students will wait in the cafeteria until their teacher arrives. Students who do not ride the bus home, or are not enrolled in the after school program, are asked to go directly home. Please pick up your child promptly.

In order to maximize instructional time and maintain an orderly school environment, **no student may be checked out of the school office between 2:30 and 3:02 unless it is an emergency or extremely urgent.** Also, please wait for your student in the front lawn area instead of outside the classroom door in order to minimize distractions to our students' learning.

ATTENDANCE

When your child is absent from school for **any reason**, it is your responsibility to call the school and clear the absence. We have a voice mail system to receive calls before or after school hours. If you have not called in, you will receive an automated call in the morning on the day of your child's absence, as a reminder to contact the school office.

Our school stresses the importance of coming to school on time, each and every day. If your child has a dentist or doctor appointment, please have them attend school before or after the appointment. We do know that situations arise which warrant your child's absence from school. STATE LAW permits the excuse of an absence for the following reasons:

- ✓ Illness
- ✓ Quarantine, as directed by the Health Department
- ✓ Medical, dental, or eye services rendered
- ✓ Attendance at funeral of immediate family member to the extent of only one day in California, and no more than three days outside of California
- ✓ Religious purposes

Unexcused absence: Examples of unexcused absences include but are not limited to: missing the bus, getting up late, family concerns, car trouble, out-of-town trips, etc.

Tardy: Student arrives to school up to thirty minutes late or leaves up to 30 minutes early.

Truant Tardy: Student arrives to school thirty or more minutes late or leaves more than 30 minutes early..

When a student accrues three unexcused absences and/or truant tardies, the parent will receive an **Initial Notification of Truancy Letter**, which describes the parent's responsibilities in ensuring his/her child attends school regularly. If the truancy pattern continues, the parent will receive additional notification and will need to meet with the school principal to design and sign a school attendance contract. If a student violates the school attendance contract, both the student and the parent will be referred to the school district's School Attendance Review Board (SARB) to enlist the assistance of Oroville area agencies to assist the family in remedying the student's truancy.

COFFEE BEVERAGES / SODAS / SNACKS

Children who learn to live healthier live longer. By establishing healthy habits early in life, children can dramatically reduce their health risks and increase their chances for longer, more productive lives. In accordance with state nutritional guidelines, students are **not allowed** to bring energy drinks, coffee drinks, or soda to school. In addition, we ask that parents send students to school with healthy snack choices like granola bars, crackers, string cheese, fruit juice, pretzels or any fruits or vegetables. During most snack recesses, students are provided with healthy fruit and vegetable snack options from our fruit and vegetable cart. **Please DO NOT send snacks such as spicy Cheetos, Takis, donuts, and candy and save those treats for home. We have had many issues with sharing unhealthy treats with others, which has caused a lot of sharing of germs as well. In order to keep kids healthy and to avoid allergy risks, students are prohibited from sharing food from home, outside of structured events organized by their teacher.**

BICYCLES / SKATEBOARDS

Students who ride their bicycles to school must wear a helmet and follow all traffic laws and safety rules. Bicycle riders must walk their bikes on campus. All bikes should be locked to ensure safety of student property. Skateboards, scooters, roller skates and shoes with wheels are not allowed on campus at any time.

BREAKFAST and LUNCH PROGRAM

Our schools offer a nutritious breakfast and lunch program for all students; this year we will continue providing breakfast in the classroom at the start of the school day. This initiative is designed to provide more students with a nutritious breakfast so they are prepared for a strong morning of learning. Current lunch menus are available monthly.

BEHAVIOR & DISCIPLINE

At Poplar Avenue we will create a safe environment where students can enhance their self-esteem, discover the joy of learning, and take important steps toward learning responsible decision-making. Our goal is to help students learn to make appropriate choices through personal accountability and guided problem solving. Each student is held accountable for any behavior that disrupts or inhibits teaching/learning.

The general expectations for all students are as follows:

1. Children are in school to learn and to allow others to learn.
2. Children are expected to be respectful, courteous, and helpful to other people.
3. Children will respect school property and the property of others.
4. Children will strive to do their best.
5. Children are responsible for their own behavior.

In short, our students should always:

Be Respectful! Be Responsible! Be Resilient!

We recognize students for making appropriate choices via:

- Specific verbal and/or written praise
- Monthly school-wide celebrations
- Positive principal and teacher phone calls
- Classroom rewards
- Announcements in class/school newsletters
- Classroom Attendance Awards
- Pizza with the Principal
- Individual Attendance Awards

Should a student choose to break a rule and not follow the behavior expectations, one or more of the following consequences will be administered based on the severity and frequency of the student's actions:

- Warning/reminder of school rules
- Restorative Practices/Conversations
- Think Walks
- Behavior Citation (parent signature required)
 - * Multiple citations may result in increased consequences
- Time out in another classroom (reset room)
- Recess restriction/ stand on the line
- School based beautification/community service
- Detention during or after school
- Referral to principal for counseling/a plan to make amends
- Parent conference with teacher
- Develop a behavior intervention plan between student, parent, and teacher
- In-school suspension
- Out-of-school suspension
- Referral to community day school or home studies
- Expulsion

**** Any behavior that intentionally causes injury/damage to another person or property is cause for immediate citation, suspension and/or expulsion from school.***

Our full Behavior and Discipline plan can be found online and a printed copy is available in the office by request.

BULLYING

The Thermalito Union School District and the Poplar Avenue Elementary School community recognize the harmful effects of bullying on student learning and school attendance and desire to provide safe school environments that protect students from physical and emotional harm. Student safety is a high priority and Poplar Avenue staff shall not tolerate bullying of any student.

No student or group of students shall, through physical, written, verbal, or other means, harass, sexually harass, threaten, intimidate, cyberbully, cause bodily injury to, or commit hate violence against any other student or school personnel.

Cyberbullying includes the transmission of harassing communications, direct threats, or other harmful texts, sounds, or images on the internet, social media, or other technologies using a telephone, computer, or any wireless communication device. Cyberbullying also includes breaking into another person's electronic account and assuming that person's identity in order to damage that person's reputation.

Students are encouraged to notify school staff when they are being bullied or suspect that another student is being victimized. School staff who witness bullying shall immediately intervene to stop the incident.

Students may submit to any teacher or administrator a verbal or written complaint of conduct they consider to be bullying. Complaints of bullying will be investigated and resolved in a timely manner.

When the circumstances involve cyberbullying, individuals with information about the activity shall be encouraged to save and print any electronic or digital messages sent to them that they feel constitutes cyberbullying and to notify a teacher, the principal, or other employee so that the matter may be investigated.

If the student is using a social networking site or service that has terms of use that prohibit posting of harmful material, the Superintendent or designee also may file a complaint with the internet site or service to have the material removed.

Any student who engages in bullying on school premises, or off campus in a manner that causes or is likely to cause a substantial disruption of a school activity or school attendance, shall be subject to discipline, which may include suspension or expulsion, in accordance with district policies and regulations.

CANINE DETECTION

In an effort to enhance our safe learning environment for students, staff, and other stakeholders, Thermalito Union Elementary School District will be using canine detection on its campuses and facilities. The goal of this intervention is to maintain a safe and supportive learning environment for everyone. Trained dogs and their handlers may randomly visit school sites to search for illegal drugs, medication, alcohol, gunpowder, and fireworks. The dogs will primarily sniff playgrounds and fields and may also sniff lockers, classrooms, and other common areas such as bathrooms, gyms, libraries, etc. Students may be asked to leave their belongings before they exit a classroom that will be searched. If the dog finds the odor of contraband, an inspection will take place in the presence of the student and an administrator. All contraband will be turned over to school officials. The principal, or designee, will determine any disciplinary action in accordance with existing school policy.

DRESS CODE

The District Governing Board encourages students to dress appropriately for school. When students are neatly attired and take pride in their appearance, there is often less misbehavior and a better learning atmosphere is created. The following guidelines shall apply to all school activities:

1. Clothes should be sufficient to conceal undergarments at all times. Tank top straps should be at least two fingers in width and adequately cover undergarment. Tops with spaghetti straps or tops with enlarged armholes are prohibited unless a T-shirt with sleeves is worn underneath.
2. Shorts and skirts must be at least mid-thigh length (fingertip length where the arms fall naturally to the side). This is true even if leggings, tights or sweatpants are worn underneath the shorts and skirts.
3. Pants must not fall below the waist or a belt will be required.
4. Shoes must be worn at all times. Sandals must have heel straps. Flip flops, backless shoes, beach shoes, metal heels, platform shoes, high heels and shoes with wheels are unacceptable.
5. Hats, caps and other head coverings are not allowed to be worn indoors. Hats must be worn appropriately outside. Exceptions can be made for school wide spirit dress up days.
6. Clothing, jewelry and personal items shall be free of writing, pictures or any insignia which is crude, vulgar, profane or sexually suggestive, which bear drug, alcohol or tobacco company advertising, promotions and likenesses, or which advocate racial, ethnic or religious prejudice.
7. Pajamas are not permitted as school attire except on "Pajama Day".
8. Any hairstyle, clothing, jewelry or make-up that distracts from learning is inappropriate.
9. In questionable cases, the final decision regarding appropriateness will be made by the principal.

EMERGENCIES

In the event of an emergency, Poplar Avenue will use the district-adopted Crisis Response Plan to ensure that our students remain safe during an incident. Parents will be notified of an emergency via the *Aeries Communications* automated phone service. If you would like to review the Crisis Response Plan, please contact the school office.

HEALTH OFFICE

In cases of illness or accidents involving a student, every attempt is made to contact parents. **It is important that we have current work phone numbers for parents as well as numbers for other emergency contacts.** A school nurse is available and will screen health problems and make phone calls to parents when concerns arise. A health aide is available for our students daily as well. You can reach the health office by calling 538-2910 x 203.

Medications: No child may take medication during school hours without an authorization form signed by the doctor and parent. Forms are available in the office. **NO** medications of any kind (cough drops, inhalers, etc.) can be kept by the child during the school day.

Pursuant to Education Code Section 49428 as amended by [AB-2022](#) in September, 2018, schools are required to notify pupils and parents or guardians of pupils no less than twice during the school year on how to initiate access to available pupil mental health services on campus or in the community. At Thermalito Union Elementary School District, any pupil or parent or guardian of a pupil may refer a student for mental health services by contacting the school counselor and/or the District School Psychologist, Katie Todd, at (530) 538-2900. The school counselor and/or district school psychologist can also provide information about other options to access mental health services within the community. To access mental health services within the community, please contact the Butte County Department of Behavioral Health at (530) 538-7705.

MINIMUM DAY SCHEDULE

Minimum days are scheduled throughout the school year to provide time for school staff to receive professional development, monitor/revise the instructional program, review site policy, and plan for school-wide events. Most minimum days are on Wednesdays and a schedule is available in the school office.

PARENT INVOLVEMENT

Active parent involvement is a key ingredient in the recipe for student success. At Poplar Avenue School, we provide various opportunities for meaningful parental participation including but not limited to:

- 1. School Site Council (SSC)** - All schools receiving supplemental federal or state funding are required to form a SSC. The SSC is composed of parents and school personnel. The SSC is responsible for developing, implementing, and evaluating the Single Plan for Student Achievement programs. The council also assists in developing the *Family and Parent Involvement Policy* and the *Parent/School Compact*. Members serve for two years and are elected by their peers. Elections for new members are held annually at the beginning of the school year. The *Family and Parent Involvement Policy* and the *Parent/School Compact* are distributed annually at the beginning of the school year and are available on our school website. Printed copies are also available in our office by request.
- 2. English Learner Advisory Committee (ELAC)** - All schools enrolling 21 or more English Learners are required to form an ELAC. The ELAC is composed of parents and school personnel. The ELAC provides input and makes recommendations to the principal, staff, and SSC regarding services for English Learners. Members serve for two years. Parent-members are elected by participating parents. The ELAC is formed in the fall.
- 3. Annual Title I Meeting** - All schools receiving Title I funds are required to hold an annual Title I Meeting in which all parents of participating students are invited. The purpose of the meeting is to explain the Title I program and services and to provide parents

with an opportunity to have input in the planning and implementation of the Title I Program. The Title I Annual Meeting is held at Back to School Night.

4. Volunteer Opportunities - We welcome parent participation in our school family. Parent volunteers are needed to assist teachers and students in the classroom, chaperone students during field trips, and assist and help organize school-wide activities. Depending upon the level of involvement, prospective volunteers may need tuberculosis and fingerprint clearance. If you have any questions on any of the activities, please contact the school principal.

5. Poplar Avenue PTO —The Poplar Avenue PTO proudly serves and supports the students and teachers of Poplar Ave. School. They work behind the scenes...hosting student and parent events, supporting student events, and raising funds to make our school more attractive and fun for students and parents alike.

PHONE MESSAGES

We know that sometimes situations arise that require a change in how your child will be picked up from school. Please contact the school office as soon as you know of the change. Your message will be forwarded to the voicemail of your child's teacher. ***Calls will not be transferred to the classroom.*** If your child is riding the bus home with a friend, and not getting off at their assigned stop, a note from the parent is required and must be presented to the office ***first*** thing in the morning so the bus driver can be notified. As much as possible, please make pick-up arrangements before school. This helps minimize classroom disruptions and honors academic instructional time.

REPORTING PUPIL PROGRESS / PARENT CONFERENCES

Each child receives a report card three times during the school year, which indicates his/her progress in meeting or exceeding grade level content area standards. Early in the school year, Back to School Night is held to give you an opportunity to meet your child's teacher and to acquaint parents with classroom procedures and expectations. Individual parent conferences are scheduled during the first trimester. We encourage parents to contact their child's teacher to schedule a conference at any other time.
